What people are saying. . . .

Deb Wendel Daub, Architect

(Fashion Consult, Closet Makeover, Personal Shopping)

I recommend Taunya Todd as a Personal Fashion Consultant, an expert on Closet Make Overs, and a trustworthy companion for a Shopping Outing. Taunya is very personable. She is knowledgeable about fashion and highlighting personal features. Taunya identifies the beauty in every person and is quick to match personality to fashion suggestions. She was honest and non-biased about clothing fit and style. It is so relieving and satisfying to look in my closet now. I am confident I will look great in anything I chose to wear.

Krystin Howard, Full-time Mom

(Fashion Consult, Closet Makeover)

I really enjoyed my session with Taunya. It was like having coffee with a girlfriend and at the same time taking a class and learning some great new tips. I was able to take her insights and put them to use on my very next trip to the mall. Her tips saved me money and time in the store. I knew which items to walk right by, so I ended up with an outfit that fits me right, is the right coloring for me, that I really love and will actually wear!

JoAnne Aldrich, Dental Assistant

(Personal Shopping)

Taunya gives insightful fashion advice. She stays current with trends and guides you to what will be a modest and flattering look. She is a great shopping partner!!

Kathy Larson, Nurse

(Fashion Consult, Personal Shopping)

I had a wonderful session with Taunya and learned a lot. She is so knowledgeable and has great ideas. She encouraged me to try some things I wouldn't usually try, but never pushed me out of my comfort zone. Great experience! Next is a closet makeover!
